

Dear Local Business,

We (Thayer Chamber, Community and E-Communications) are making preparations for the annual Fireworks Show in Thayer, Thursday July 4th, 2019. As you know this is a huge undertaking. This annual event draws over 8,000 people to our Thayer-Mammoth Spring area. The economic and social impact is HUGE. They enjoy our retail outlets, convenience stores, motels, restaurants, rivers, streams, state parks, National Fish Hatchery and lakes nearby. This event exposes people to our fine area and has certainly earned a name for itself as one of the premier fireworks shows in the area.

We NEED the support of the community, businesses and organizations to make this all happen. The cost of the event increases each year and we are hoping everyone will give more than what they gave last year.

The contributions pay for the skydivers, fireworks, entertainment, porta potties and the cost of insurance that is required. The Thayer Chamber, typically, is the biggest supporter financially, but obviously they are unable to do it all, as the fireworks alone cost upwards of \$8,000.

The Chamber does receive a portion of the funds made from the sales of concessions and those monies are put back into helping with the cost. However, those funds only provide a small portion of what it takes to put it all together. Therefore, we would greatly appreciate your consideration in helping to donate for this annual event, as again, the major part of the funding is made possible by local business donations.

Please make check payable to the Thayer Chamber of Commerce and mail a donation to:

Thayer Chamber of Commerce
P.O. Box 14
Thayer, MO 65791

Or you can drop off a donation at the Community First Banking Company, K-Kountry 95/Gift, or State Farm.

Thank you for your support,
Thayer Chamber of Commerce
